DETAILED ACTION

Drawings

1. The drawings filed on 6/25/03 are accepted by the examiner.

Allowable Subject Matter

2. Claims 1-35 are allowed.

With respect to claim 1, the following is an examiner's statement of reasons for allowance: the prior art of record neither discloses nor makes obvious the combination set forth in the independent claims, and especially does not show *"a first crankshaft connectable to a prime mover and connected to the first plunger, a second crankshaft connectable to the prime mover and connected to the second plunger; and an adjustment mechanism connected to at least one of the first and second crankshafts such that a phase angle between the first and second crankshafts may be adjusted"*, in combination with the other claim limitations.

With respect to claim 15, the following is an examiner's statement of reasons for allowance: the prior art of record neither discloses nor makes obvious the combination set forth in the independent claims, and especially does not show *"a first crankshaft connectable to a prime mover and connected to the first plunger; a second crankshaft connectable to the prime mover and connected to the second plunger; and an adjustment mechanism connected to at least one of the first and second crankshafts such that a phase angle between the first and second crankshafts may be adjusted"*, in combination with the other claim limitations.

With respect to claim 32, the following is an examiner's statement of reasons for allowance: the prior art of record neither discloses nor makes obvious the combination set forth in the independent claims, and especially does not show *"providing a first planetary gear*
